TELEPHONE CALL FROM THE PRESIDENT

The Pres. said he was thinking of going to the Club this p.m. if the Sec. did not need him, and the Sec. said to go ahead. The Sec. said H. will soon bring in a suggested statement, which the Sec. would like him to stick to.

The Cambodian agreement was signed only a few hours ago, and the Sec. understands it is better than the others. The Pres. said he would call if he has any question about the statement.
